Chapter 1 by Jared

Two men stare at a large cave. One pulls up a map looking down it there is a marked location but where the mark is there is nothing on the map but dense forest.

"This is the place. Follow me." One of the men says

"What is this place?" the other man wonders

"A dark place only evil lies ahead. But there is no stoping now that we are so close."

"I don't know about that, brother. Didn't you just say that only evil lies ahead?"

"Yes, that's right."

"Then, and stay with me for a second here, what do you say we just run in the opposite goddamn direction as fast as we fucking can?"

"You're not really getting into this, are you, Chuck?"

"Stop fucking my wife, Al."

Chuck paused for a moment, then hurled himself at Al with a roar. The two men crumpled into a balled mass and began rolling down the hill the way they had come as they fought.

"Grrrrraooow!"

The two men crashed into a massive oak tree at the edge of the woods and came to a stop, panting. Their grips released, and they lay in a crumpled tangle of arms and legs heaving and moaning.

"Gimme that map, Al."

Chuck snatched the map from his twin brother and looked at it for a moment.

"Goddammit. We've been walking the wrong direction since midday." He threw the map back at Al. "You idiot."

Al paused for a time.

"I didn't plan to sleep with her, you know." He began, slowly. "I mean. Maybe you're not going to believe me, because in popular opinion every twin wants to trick his brother's wife into sleeping with him. But you gotta believe me, Chuck."

"Oh, really?" – Chuck retorted, – "So, you didn't plan it, but it happened. And then you have been fucking her for about two years, huh?"

"What? But... how?.." – Al whispered.

"What about that, brother? I do know everything about you and Lisa. And i'll do everything to avenge the betrayal and turn my wife and my life back" – Chuck stood up, shook himself – "But first, we have to do something important here, remember? So get your ass up"

Al turned silent for a minute, than looked at the map.

"Yes, brother. We have to go"

The two cautiously stepped forward with the map. Chuck held the map and Al switched on his flashlight.

"Okay, follow me." Chuck crouched over and entered the mountain, turning a sharp left corner. "If I am reading this right, then we just take a right turn up here, and follow it back 500 yards or so."

Al rolled his eyes and joined his brother. But as the two rounded the right corner, Chuck knocked into a boulder. "AHO!" He yelled in pain as a thin stream of blood trickled down his forehead.

"Well, this changes this a bit, doesn't it?" Al looked triumphantly at his brother. "You see? I was right..."

Chapter 6 by intellikat

There, in front of the two brothers, clutching an aluminum baseball bat, was an emperor penguin.
